Still from “Monk” spot immediately following
“Monk” opening montage, 1/18/08:

Excerpt from 1/17/08 Steinhoff email:

“Possibly this all means McCartney wants place in Steinhoff/Monk ‘relationship’ in order to have place in Steinhoff/Randy (Monk theme song writer) Newman ‘relationship’ in order to have place in Steinhoff/ Newman/ Lennon ‘relationship’, which might ‘relate’ to Lennon's action that set up the circumstance that resulted in Lennon becoming a magnet for nutcases, which led to Lennon's death! (details to be provided should McCartney continue to appear to want ‘in’.)”
